Notes

All Van/Container loads MUST be sealed at origin either by shipper or driver with a seal number noted on bill of lading. The driver is responsible for re-sealing the trailer after each pickup/drop on a multi-stop shipment. In the event a shipment that was sealed at origin or after each additional pickup/drop arrives at the destination with a tampered seal or without the seal intact then (i) the Carrier shall be liable for any shortage or damage claims with respect to such shipment and (ii) the shipper shall have the right, in its sole discretion, to deem the entire shipment damaged, adulterated/contaminated and unsalvageable, without the need for any inspection and the Carrier shall be liable for the full value of the shipment. Carrier is required to weigh shipment within 50 miles of departing each shipper. If carrier fails to weigh shipment within 50 miles of departing each shipper, any citations/expenses incurred due to the equipment and/or shipment weight will be the carrier's sole responsibility. Carrier must meet and comply to shipper requirements at the facility. All drivers must wear masks or facial coverings to the extent required by laws or facilities. **Carrier must be in full compliance with the Food Safety Modernization Act (FSMA), if applicable. By accepting the shipment, Carrier agrees that the driver has consented to receiving text messages and/or phone calls from or on behalf of Coyote.**

Approval for payment of detention is contingent upon the following eligibility requirements:

- 1) Carrier must report facility departure time and total detention hours within 24 hours of shipment delivery at the final facility.
- 2) Carrier must provide proof of the on time arrival and departure times in the form of a BOL or other shipping document with arrival and departure times notated by facility within 24 hours of shipment delivery at final facility.

Coyote Logistics, LLC is an Equal Opportunity Employer

Terms and Conditions

The Broker-Carrier Agreement or Carrier Agreement (in each case, the "Agreement") between Coyote Logistics, LLC, a Licensed Property Broker - USDOT # 2236410, and GTT Freight Corp is amended by the verbal agreement between Danny Matkovic of Coyote Logistics, LLC hereafter referred to as BROKER, and Davif Lopez of GTT Freight Corp hereafter referred to as CARRIER, dated 09/14/2023.

This confirmation is subject to the terms of the Agreement and this document constitutes an amendment thereto. If the CARRIER has not signed the Agreement, then the rate shown above is the agreed individually negotiated rate and no other rate shall apply including any carrier tariff rate or terms.

THIS LOAD SHALL NOT BE DOUBLE BROKERED. No additional charges not listed above may be added by the CARRIER. Any additional charges must appear on a revised confirmation sheet signed by the BROKER. CARRIER must include signed copy of the shipper's bill of lading and any other proof of delivery with invoice to BROKER. Rates, except as specifically designated above, are inclusive of any fuel surcharge. CARRIER certifies that it is in compliance with all requirements of the California Air Resources Board (CARB) that are applicable to the scope of CARRIER's operations, including, but not limited to: Statewide Truck and Bus Regulations, Transport Refrigeration Unit (TRU) Regulations, Tractor-Trailer Greenhouse (GHG) Gas Regulations, and Drayage Truck Regulations. CARRIER also warrants that it is in compliance with any comparable requirements of the Environmental Protection Agency (EPA) and other states, where applicable. CARRIER shall be responsible for any fines imposed on BROKER and/or shipper resulting from noncompliance.

CARRIER hereby confirms that it maintains applicable and valid insurance without exclusions that would prevent coverage for the items listed above. CARRIER has at least \$100,000.00 in cargo insurance and \$1,000,000.00 in automobile liability coverage. CARRIER further confirms that in transporting the shipment described hereinabove, it will comply with all U.S. DOT and FDA regulations applicable to its operations while transporting said shipment, including, but not limited to drivers' hours of service, and the Food Safety Modernization Act (FSMA), if applicable. CARRIER agrees to the attached requirements from the shipper, if any.

ALL LOADS ARE SUBJECT TO ELECTRONIC TRACKING

By accepting this shipment, CARRIER agrees that it has obtained a written agreement from each driver transporting a shipment tendered by BROKER to CARRIER pursuant to the Agreement in which each driver provides all necessary consents to (i) receiving text messages and/or phone calls from or on behalf of BROKER and (ii) allowing BROKER or its vendor to track such driver's location while transporting such shipment. CARRIER shall comply with all applicable laws relating to the collection, use, storage, retention, disclosure, and disposal of any information CARRIER provides to BROKER, including information regarding the drivers transporting shipments. CARRIER shall indemnify, defend, and hold BROKER and its affiliates harmless from and against any and all claims, damages, liabilities, losses, actions and expenses (including attorneys' fees) arising out of or in connection with CARRIER's breach of this Section. This Section shall survive the expiration or termination of the Agreement between BROKER and CARRIER.

Operating Requirements
Utz Quality Foods

Equipment used by Carrier to transport Shipper's goods shall comply with all applicable laws and regulations, be maintained in good working order, and be clean, odor free, dry, leak proof, and free of contamination and infestation. Shipper may inspect Carrier's equipment to determine if it meets Shipper's standards of suitability and cleanliness for the specific goods to be transported. No trailer or other vehicle which has been previously used to contain and transport refuse, garbage, trash, or solid or liquid waste of any kind whatsoever, whether hazardous or non-hazardous, shall be used to transport and contain goods on behalf of Shipper. Breach of this prohibition shall entitle Shipper to immediately terminate this Agreement.

Reefer units shall be in good working order and properly fueled. Equipment shall be free of blood, ice melt, or other contamination from fresh meat, fish, and/or poultry products. Any equipment previously used to transport such commodities shall be sanitized prior to loading. This provision also includes pallets or material handling equipment that may be utilized by the Carrier. All trailers are required to be sealed and the seal number clearly written on the bill of lading.

Carrier shall only deploy food grade, 53', swing door, air ride trailers measuring a minimum of 107" clear height in the nose and 110" clear height at the tail in connection with its services under this Agreement, unless expressly authorized by Shipper to the contrary.

Due to the risk of terrorism and vandalism, all Shipper trailer loads must be sealed. Shipper of product must write the seal number on the bill of lading. Carrier shall ensure that their drivers affix any required seal(s) to the trailer door themselves after inspection and prior to pick-up departure. At time of actual delivery, only the consignee can break the seal(s) to ensure that the correct seal(s) is intact. Consignee shall note on the delivery receipt that the seal(s) is intact and driver must request that the consignee expressly note the seal number(s) next to such notation as well. In addition, no driver can remove the seal(s) in transit unless instructed to do so by competent legal authority with such proof attached to the delivery receipt. After the completion of each stop, a new seal or padlock shall be placed on the trailer.

Carrier shall comply with all requirements of the U.S. Food and Drug Administration's new Food Bioterrorism regulations effective December 9, 2005. This includes ability to provide route of movement on any movement on any shipment within twenty-four (24) hours when requested by the FDA.
